

```
section_info_list::  
t_section_info::reduce  
_section_info
```

A diagram illustrating a transformation. On the left, a gray rectangular box contains a C++-style lambda expression: `section_info_list::`, `t_section_info::reduce`, and `_section_info` on separate lines. A blue arrow points from this box to a white rectangular box on the right. The white box contains the transformed code: `section_info_list::` and `section_info_reduce` on separate lines.

```
section_info_list::  
section_info_reduce
```
